

Private Music Lessons

Fulton Science Academy Private School

As an advocate of STEAM education, FSAPS offers private music lessons for students of the school. This individualized instruction includes studies in:

- technique including scales, chords and arpeggios
- practice methods
- music theory, sightreading and ear training
- ABRSM and a wide variety of repertoire including the masterworks

We offer private music lessons in many instruments and areas of study: Piano, Voice, Guitar, Violin, Viola, Cello, Bass Violin, Clarinet, Flute, Ukulele, Saxophone, Accordion, Percussion, Trumpet, Trombone, Banjo, Mandolin, Theory, Conducting, Composition, and more. We support the Band and Orchestra Programs. Please inquire if you do not see an instrument here that you are interested in learning how to play or an area of study. Lessons are scheduled during recess and after school.

ABRSM (We are now an ABRSM Exam Center.)

Beginning students are encouraged to prepare for the Associated Board of the Royal Schools of Music (ABRSM) Preparatory Exam in the Spring. Intermediate & Advanced Students should be assessed by their Private Music Teacher as to what grade they should begin the program. We welcome any existing ABRSM students! Inquiries should be addressed to the student's private music teacher.

Senior Home Performances & Festivals

Students are encouraged to perform at senior homes and enter North Fulton Music Teachers Association festivals. Inquiries should be addressed to the student's private music teacher.

Recitals

Performances will be held at the end of each semester. Recognition of significant accomplishments will be made during this event. Families and guests are welcome to attend.
